Introducing the HCM 350 Series Drain Jetter, a compact powerhouse within our high-pressure drain jetting petrol range. Meticulously designed for space-saving, with a width just over 1000mm, the 350 Series seamlessly integrates into smaller van models like a VW Caddy, making it ideal for inner-city use.

The 350 Series combines superb performance with affordability, meeting the demands of the most challenging tasks efficiently and reliably. Its versatility spans drain cleaning, graffiti and stone cleaning, root cutting, surface preparation, and clean up, enhanced by a range of available attachments.

Customize your experience with our wireless remote options, providing unparalleled control and safety. Our wireless remote system, renowned for its reliability, achieves rapid water shut-off in an impressive 0.003 seconds from a button press. Take charge of throttle and flow control, reel operations, and engine stop functionality with seamless precision.

Elevate your system with optional extras, including Wireless Remote, Fill reel, Electric rewind add-ons for either reels, additional Power Plates, 3/4" fast fill hose and more.

Discover the excellence of efficiency and innovation with HCM.
