Compatible

Unleash the HCM 500 PowerPlate Series Jetting Unit - a high-pressure hero that's about to rewrite the rules in the world of petrol-powered jetting units. Crafted with meticulous engineering and a dash of style, this compact dynamo, at just 1100mm in width, seamlessly fits into medium and larger vans with ease.

Prepare for a shift in the drain jetting industry with the 500 Series - an accessible, all-encompassing solution packed with raw power to conquer any challenge that comes its way. From drain cleaning to graffiti and stone cleaning, root cutting, surface preparation, or the nitty-gritty of cleanup - this beast reigns supreme. Embrace a world of versatility and adaptability with a range of available attachments, transforming it into a truly comprehensive workhorse for a multitude of applications.

Seize control and personalize your experience with the wireless remote option, granting you the reigns of power and safety at your fingertips. Our trusted wireless remote system ensures lightning-fast water shut-off in just 0.003 seconds with a simple tap. Relish in the seamless control of throttle movements, flow control, reel operations, and engine stop functionality. Elevate your system with an array of optional extras, including Wireless Remote, Fill reel, Electric rewind add-ons for either reels, additional Power Plates, 3/4" fast fill hose, and an exciting array of more.

Get ready to witness the best of efficiency and innovation - the HCM 500 Series Drain Jetter, where raw power and precision unite to deliver an unmatched performance that sets the bar higher than ever before. Say hello to a new era of drain jetting with HCM.
